## **NOTICE** **TEMPORARY PICKLEBALL MAT**

Dear Members,

You may have noticed a Pickleball mat recently installed inside the club Multi-Purpose Hall.

This has been set up as part of a limited trial to upgrade our sports facilities and introduce our members to emerging and popular racket sports like Pickleball. Our goal is to diversify recreational offerings and keep our amenities aligned with current trends in fitness and community engagement.

Please note that the mat is temporary and will remain in place only for the duration of this short trial period. After professionals' observation and evaluation, the mat will be removed, and the court will be fully restored to its original condition. We have arranged sufficient manpower to ensure a smooth installation and removal process with minimal disruption.

We sincerely apologize for not informing you in advance and for any inconvenience this may have caused to your regular court bookings or activities. Your understanding and support as we explore new ways to enhance your experience are greatly appreciated.

Thank you for being a valued member of our community!

Best regards,  
Club Management Team
