

CLUB DE RECREIO

TEMPORARY CLOSURE OF PATHWAY ACCESS ADJACENT TO THE CLUB HOUSE

Date: 4th October 2026

Dear Members,

Please be advised that the pathway access next to the Clubhouse will be temporarily closed from **5th October to 12th October 2026** to facilitate essential maintenance works.

This scheduled maintenance is necessary to ensure the continued structural integrity and safety compliance of the pathway infrastructure. The works will include surface rehabilitation, drainage assessment, and preventive remedial repairs aimed at addressing wear and deterioration identified during our recent facility inspection.

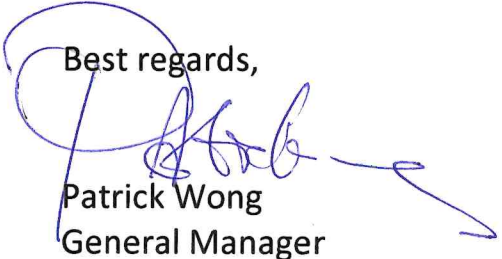

Undertaking these works proactively is critical to mitigating potential safety hazards, preserving long-term asset condition, and minimising the risk of more extensive and disruptive repairs in the future.

During the closure period, members are kindly requested to use the alternative access routes as indicated by the on-site signage.

We apologise for any inconvenience this may cause and appreciate your patience and cooperation as we carry out these important upgrades.

Should you have any questions or require further assistance, please do not hesitate to contact the Club Management Office.

Best regards,

Patrick Wong
General Manager
Club De Recreio
