## Chinese New Year Cumshaw for Club Staff

### What is Cumshaw?

Cumshaw is a traditional term that refers to a token of appreciation or gratuity given to service staff for their exceptional service. It reflects our gratitude for the hard work and dedication of our team who strive to provide you with the best experience possible during your visits to the club.

### A Brief History

The term "cumshaw" has its origins in maritime culture, where it was used to describe gifts or tips given to sailors and dock workers. Over time, this practice has evolved and is now embraced in various hospitality settings, fostering a spirit of appreciation and camaraderie between members and staff.
