NOTICE

REMOVAL OF PICKLEBALL MAT FROM **BADMINTON COURT**

Dear Members,

We are pleased to inform you that the Pickleball mat has now been fully removed from the badminton court, and the court has been completely restored to its original condition.

This temporary installation was initially part of a trial aimed at enhancing our club's recreational offerings and exploring opportunities to introduce new activities in response to evolving member interests. While it was good intention on our part to enrich our facilities, we recognize that the trial—particularly the lack of prior communication—caused inconvenience and concern among our badminton-playing members.

For this, we offer our sincere apologies, and we deeply appreciate your patience and understanding throughout this period.

The badminton court is now fully available as usual, and we remain committed to maintaining clear communication and thoughtful planning in all future facility initiatives.

Thank you for your continued trust and support of Club de Recreio.

Yours faithfully,
Club Management (For The General Committee)
