## TENNIS SECTION

“A double celebration is in order for CDR's Play It Forward HKLTL (Ladies Tennis League, aka the "morning league") team. Together as a team, the Play it Forward Ladies have won a promotion from Division IV to Division III as a result of the just concluded season. Even further, the team was awarded the Sportsmanship Award by the league, showing that it does pay to be nice. The team won plaudits for giving opponents heart shaped dampeners, holding interleague practice sessions (perhaps you have seen them on Saturday mornings at the club) and always keeping a big smile on the court even when the chips are down. Congrats to our Play it Forward Ladies!
