IMMEDIATE NOTICE

TEMPORARY SUSPENSION OF MAHJONG SERVICE

Dear Members,

To facilitate the bar renovation project, it is necessary for us to temporarily suspend our Mahjong service during the initial stage. The Mahjong sessions will be temporarily halted between 8th and 12th April 2024. We understand the significance of these sessions to our members, and we apologize for any inconvenience caused by this service suspension.

During this initial stage of renovation, we will be operating with a limited meal service, we kindly request your patience and understanding as we work diligently to complete the renovations in a timely manner.

We look forward to welcoming you back to our revitalized and improved bar area for an enjoyable experience.

Thank you for your understanding and continued support.
