

NOTICE TO MEMBERS

14 Day Self-Quarantine Requirement

Since the World Health Organisation (WHO) has announced that Covid-19 is characterized as a pandemic due to a rapid increase in the number of cases over the past 2 weeks affecting a growing number of countries, the Home Affairs Bureau (HAB) of HK Govt are advising all clubs on PRL grounds to take extra precautionary measures.

The General Committee is very concerned about the safety of its Members and their families as well as our staff and have already put in place certain precautionary measures. In view that this virus is now a global pandemic, effective immediately, Members and their families or guests returning to Hong Kong from abroad must avoid using the Club for at least 14 day self-quarantine requirement after their return. This should also apply to those who have been in contact with recent returnees from abroad. You are reminded that contravening the quarantine requirement which is legislated by the HK Government would be a criminal offence and is subject to a fine of \$20,000 and 6 months jail.

We would like to thank you for your support and co-operation.

The General Committee of Club de Recreio
