The General Committee, Members and staff of Club de Recreio are deeply saddened by the passing of our long serving former President A. de O. “Sonny” Sales.

Mr. Sales was President of Club de Recreio for 52 years (1960 to 2012). He was the Founder of the Amateur Sports Federation & Olympic Committee of Hong Kong (ASF&OC) and later became its President. The Chairman of the Urban Council (1973 to 1981). A member of the Basic Law Consultative Committee.

He worked selflessly for Club de Recreio. We shall greatly miss his wisdom and companionship and were fortunate to have him as a member, mentor and friend for so many years.

Our deepest condolences are extended to his family.

Rest in Peace dear Friend,

Club de Recreio
