### THEFT IN CHANGING ROOM

This month two members had personal effects stolen from their bags whilst they were having showers. Their bags were left on the changing room bench at that time. A notice posted in the changing room last year advising members to be vigilant when they leave their valuables unattended should not be taken lightly. Since we have many non-members entering the Club as guests or sporting competitors from other Clubs, we cannot guarantee or can be responsible for anyone's belongings left in any place or at any time. We suggest members who do not have a locker to hire a locker; cheapest at \$660 per year. Locker can now also be hired for \$20 per day. Deposit of \$200. \$20/day will be deducted from deposit if locker key is not returned on the same day. Please request from the Changing Room attendant if required. Deposit will be refunded upon return of Locker key. Club is not liable for any loss of items stored inside lockers.

### SIGNING OF BOOKING CHITS

All booking chits need to be signed on the day of play. A warning letter will be issued to those who fail to sign on the same day. There will be a fine of \$200 for second offenders which will be billed directly to his/her account.
