Increase of Monthly Subscriptions

Dear Members,

The General Committee, in view of the hardships faced by many HK residents during the social disturbances followed by the pandemic, held back with imposing any increase to monthly fees for the past six years. In fact, as a matter of good gesture, we gave out dining rebates for three months this year (April to June) to brighten what would have been a bleak period.

Unfortunately, things in general are becoming expensive these days. We have difficulty employing staff for the various jobs in the Club due to our pay scheme lagging other similar organizations. We had to review and revise this to be more competitive. Maintenance and repairs costs are on the rise.

The Clubhouse is also getting old. Renovation and repairs are needed. The General Committee has endorsed a plan to renovate and repair in phases areas of the clubhouse which need attention. Members will be advised of the works once a suitable contractor is agreed.

It is the decision of the General Committee that the increase of \$100 per month for most members will take effect on 1st November 2022 and will be accordingly:

Category of member	Current Subscription (\$)	New Subscription (\$)
Full & Associate Single	780	880
Full & Associate Family	1,150	1,250
Senior Single & Single Widow	390	440
Senior Family	575	625
Sporting	780	880
Life Single Widow & Family	370	420

Kindest regards,

Tony Abraham
